Translation by Carmen Morell

THE BLESSING OF HEAVENBE WITH EACH ONE OF YOU. RECEIVE MY LOVE, UNITED TO THE MERCIFUL LOVE OF MY SON.

Come closer to My Son present in the Sanctuary and feed yourselves with His Body and His Blood, live this continuous Miracle of Love towards all humanity.

My Beloved, the serene man is born of the correct thought, emanating towards his heart the Grace of who finds himself in the way of the Truth.

The instant has arrived in which sin spreads as the wind even if the wind doesn't exist; it spreads like dust, even if there was no dust. Evilness has grown without limits and impoverished the soul, blackening it and taking it with the human will to be the instrument that the evil one utilizes to bring the human creatures closer to the well from which rebellion against what the Divine Will represents.

Children:

DON'T BE AFRAID, BE WARRIORS IN THE SPIRIT, BATTLE AGAINST THE BAD ACTIONS AND INSINUATIONS OF MAN'S ENEMY.

To fall and get back up is of children that trust the Divine Mercy, only that this fall stops the spiritual evolution in the creature and leads it to back up in new and unthinkable situations; which will lead you again to strive more because it led you to fall out of the Divine Will.

MAN'S INSTINCTS ARE STRONG, AND YOU HAVE THE DUTY AS SPIRITUAL MEN, TO OVERCOME TEMPTATION, ASSUMING THE RESPONSIBILITY OF THE KNOWLEDGE AND EXPLICITNESS OF THIS MATERNAL WORD.

You are grown men in front of your brothers and spoiled children towards yourselves, you judge your brothers with an iron rod but when the temptation comes you are spoiled children because as if you weredefenseless you bend to Satan's seductions, who knows beforehand how much a fall impacts in the spiritual man, so much that it could mean the total separation from the straight and true way.

The beast is astute, it doesn't present man ways for him to overcome with effort, but presents him ways in which the spiritual man has battled before in the past as a man of threadbare garments, which he wore for a great part of his life.

THE RENOVATED MAN IS TESTED BUT NOT DEFEATED, NOT SEDUCED, OVERCOMED: THE NEW MAN RECOGNIZES THE TEMPTATION AND GETS AWAY FROM IT WITH THE PROMPTNESS OF THAT ONE WHO KNOWS HE POSSESSES IN HIS HANDS THE TREASURE AND CAN LOSE IT IN JUST ONE INSTANT.

Beloveds, all your efforts to overcome these chains of the past, all that effort is at the same time a challenge for the devil, who sends more of his to fight against the faithful children and test them over and over again.

YOU, MY FAITHFUL, MY ARMY, PERSEVERE IN THE DELIVERY OF YOUR HEART TOWARDS MY HEART. IN IT YOU WILL FIND THE STRENGTH AND BASTION, BOAT AND OARS, SHELTER, LIGHT AND DEFENSE, CONSOLEMENT AND REFUGE.

I don't call you to live one instant and not another in the straightway. I call you to persevere. The demonic legions pouncing over men know the weakness of each one; where they are the weakest and it's there where they attack with greater force.

IF YOU MAINTAIN YOURSELVES STRENGTHENED IN THE SECURITY OF MY MATERNITY.

IF YOU NOURISH YOURSELVES WITH THE EUCHARISTIC SACRIFICE AND FAITH IN THE ABSOLUTE POWER OF GOD ABOVE EVERYTHING THAT EXISTS, IF YOU LIVE IT AND CARRY IT INSIDE YOUR BEING: IN THE CONSCIENCE, IN THE THOUGHT, IN THE REASONING, AND IN THE HEART, NOTHING WILL DEFEAT YOU.

Man's defeat starts when faced with the devil's ambush, he leads man to stagger, when looking at the attractive temptation for the free will, or as a triumph for the human ego.

THE PRAYING OF THE HOLY ROSARY IS NOT ONE MORE, IT IS THE ARM WITH WHICH TO COMBAT AND IT IS THE ARM BEFORE WHICH THE DEVIL FLEES, as long as it is offered with devotion and, most of all, with faith and conscience, in a state of Grace, and with faith in Grace with which The Father, The Son and The Holy Spirit have covered and investedin Me to be AUXILIARY MOTHER OF ALL THE MEN.

Not everything has been lost, the battle continues, and the defeat of the devil remains in the hands of each of you.

Man is a whole within the vast Universe, he is not only a being that wanders without direction, but the iris of the eyes of My Son, and when a human creature clamors to My Son, He takes it as His most precious Work and places it before Himself to lift it up and take it to be better in each instant.

BELOVED, REPENTANCE IS A GRACE AND YOU MUST ASK THE HOLY SPIRIT FOR IT, ONLY THAT IT IS LOOKED BY YOU AFTER GREAT SUFFERINGS.

Beloved, DON'T FORGET THAT THE HOPE OF THE PURIFICATION FOR THOSE WHO LOOK BEYOND THE IMMEDIATE, IS ETERNAL LIFE, WHAT AWAITS YOU.

The Divine Help doesn't make Himself to be waited; the Legions of Divine Light remain attentive to the man who requests them with humility and sincerity.

DON'T BE AFRAID, GIVE ALL; TEMPTATION IS TEMPTATION.

IT IS NOT THE ARMY THAT BRINGS THE VICTORY OVER MAN, IT IS MAN WHO WILL SING THE GREATNESS OF MY SON, AND THE REGENERATING BLOOD OF MY SON WILL HEAL THE WOUNDED HEARTS AND THE WEAK MINDS.

GO AHEAD! Don't lose the faith nor the Hope, but be aware of the danger that threatens you each from instant to instant, and you must defeat it.

SAY NO TO SIN AND YES TO MY SON.

SAY NO TO TEMPTATION AND YES TO THE FIRMNESS AND TRUST IN MY MATERNAL PROTECTION.

I seal you with My Maternity, embrace it without delay. What seemed far away, is close, don't stagger. My Maternal Help is the force with which the Holy Spirit invested Me to be the consolation of the downhearted.

How many times have I invited you to walk by the way of mortification of the senses, the control of the passions, of modesty, of good example, of purity, and of sanctity?

But humanity has not embraced my invitation and has kept on disobeying the Sixth Commandment of the Law of the Lord which prescribes not to commit impure acts.

In the contrary, such transgressions have exalted and have been proposed as the conquest of a human value and a new way of exercising your very own liberty.

It has begun by corrupting the conscience of the children and young adults, leading them to the conviction that impure acts committed alone are no longer sin (so we leave things clear, She is referring to masturbation); that pre-marital relations in the courtship are licit and good; that families can behave freely and recur also to the methods to prevent births.

It has reached the point even to justify and the exaltation of the impure acts against nature, including proposing laws that will allow the family the coexistence of homosexuals.

Never as today, are immorality, impurity, and obscenity continuously spread throughout the press and all social communication media.

Most of all the television has turned into the perverse instrument of daily bombardment of obscene images, directed to corrupt the purity of the mind and the heart of everyone (there are evening programs in which the viewers –children, young adults, and adults are by themselves- are stimulated through the images and conversations which sexually excites them and produce restlessness).

The places of diversion, particularly the movies and the discotheques, have turned into places of public profanation of the proper human and Christian dignity.

It is the time in which the Lord our God is continuously and publicly offended with the sins of the flesh.

Already the Holy Scripture has warned you that whoever sins through the flesh, will find its just punishment in the same flesh.

And in this way, the time has come in which the Angel of the first scourge passes by the world, so according to God's wishes, punishment is given.

The Angel of the first scourge inflicts on the flesh of those who have allowed themselves to be marked by the devil in the forehead and in the hand, and have adored his image, a painful and malignant sore, that makes those afflicted with it to scream in desperation.

This sore represents the physical pains that hurt the body because of grave and incurable illnesses.

The painful and malignant sore is a scourge for all humanity, so perverted today, who has constructed an atheist, materialistic civilization and makes the search of pleasure the supreme end of the human being.

Some of my poor sons have been hurt for the same reason, because of their impure sins and moral disorders, and carry over them the weight of the evil they have committed.

Others, in change, are hurt still being good and innocent: then their suffering serves for the salvation of many evil ones, due to the solidarity that joins all of you.

The first scourge are the malignant tumors and all classes of cancer, against which science cannot do anything in spite of its progress in all these sectors; illnesses that propagate more each time and hurt the human body devastating it with painful and malignant sores.

Beloved sons, think of the diffusion in these incurable illnesses in all parts of the world and in the millions of deaths they provoke.

The first scourge is the illness of H.I.V., which hurts most of all my poor victims of the drugs, of the vices, and of impure sins against nature.

In these times in which humanity is hurt by this first scourge, your Heavenly Mother wants to be for everyone help, support, consolation, and hope.

That is why I invite you to walk by the way of fasting, mortification, and penitence.

To the children I invite them to grow in the virtue of purity and in this difficult way to be helped by their parents and educators.

To the young adults I ask them to be educated in the control of their passions with prayer and to live in union with Me, and to renounce going to the movies and the discotheques where there is grave and continuous danger of offending this virtue so pleasant to my Immaculate Heart.

To the bloomers and boyfriends, I ask them to abstain of all relations (also including previous sexual games) before marriage.

To the Christian families, I ask them to educate themselves in the exercise of marital chastity and not use artificial mediums to prevent life, according to the teaching of Christ that the Church also today proposes with illuminated wisdom.

How much I desire from the Priests the scrupulous observance of celibacy and the Religious the faithful and austere practice of their vote of chastity!

To my poor sons attacked by the first scourge of the painful and malignant sore, I present Myself as Merciful Mother that soothes and consoles, who brings hope and peace.

I ask them to offer their sufferings in a spirit of reparation, of purification, and of sanctification.

Most of all for them, My Immaculate Heart turns into the most homely refuge and the sure way that leads them to the God of salvation and joy.

In this my heavenly garden, all will be consoled and stimulated, while I myself will preoccupy lovingly to give relief to their suffering and, if it is in God's will, offer the grace of healing.

Therefore, in these times in which humanity is attacked by the first scourge, I invite all of you to direct your look to Me, your Heavenly Mother, to be comforted and helped.

I maintain you in My Heart, the Arc where I protect all who come to Me. One more time I call you to maintain yourselves in a firm and unmovable faith, nourished by the daily Eucharist, by the persevering prayer, and by the continuous petition so the Holy Spirit helps you at all moment, and in that way be able to discern when confronted by the comings and goings of the continuous wiles of the devil, that in this time blasts against the children of God.

Evilness is presented in one thousand forms, and only discernment will take you to choose the correct way. The enemy is battling insistently; remains in a constant battle against each faithful son. The enemy maintains himself in constant battle to push away, confuse and, most of all, discourage My Son's Church.

EVERYTHING THAT IS HAPPENING AROUND THE WORLD: NATURE EVENTS, KILLINGS, HUNGERS, PESTILENCE… IS THE PRODUCT OF EVERYTHING THAT IS BEING PLANTED IN THE VERY HEART OF MAN. Life is not appreciated as a gift, but as a possession, in which its end can be decided.

Beloved sons: this is not, but another sign of how much lack of affection, how much conceit there is in man's heart. My faithful sons accompany Me in this great suffering that My Heart has before so much offense against God.

Each one of you has to become aware of what is happening in the world; and with a fine eye, analyze these events behind which the very devil hides, preparing the hearts of the lukewarm so they will act against Their God, and against his brothers.

This possession of the devil, that as an owner walks by the world in search of souls, that live away from God to take them and bring more pain to humanity; has brought as a consequence that killings happen, that laws be promulgated to favor abortion, that other means of extermination that are being used today; that the human heart does not feel moved when looking at a brother dying of hunger, the indifference towards the physical and spiritual suffering of your fellow men. This

is not normal between those who have been created by the Hand of the Father Himself. This is called lack of affection, hate, oblivion, rancor, and it is caused by the enemy of men, by the very same devil that hardens the men, gnawing the heart and saturating it, with all the wickedness that he releases as owner of the darkness.

My sons: these measures that today are the pride of many, as the marriage between creatures of the same sex, abortion, the adoption of children by couples of the same sex, to give orders to unexpectedly remove and without any fear of the Name of God from all act or work of man; these sins and others that make the Heart of My Son and Mine bleed, take us to the time, to remember the sin that Sodom and Gomorrah lived. And today, sons, I must tell you with pain that the actual sin has surpassed the sin of the past. In this instant, sin has taken the power, and it is a fundamental part of modernism, mostly among the youngsters, but I cannot deny that the adults see themselves also submerged in these painful acts against the integrity of the defenseless.

Today humanity looks at sin as something natural, they are forgetting Their Creator, and this brings to man himself, ills and sicknesses, which are an unfailing sign of how much is coming for humanity. This is the time in which wickedness has penetrated so much into man that it will turn against the very man. I know well that you know the prophecies, which have not been made known to us so they pass imperceptibles or to cause fear in man. No, the prophecies have been announced so man takes them into consideration and changes, nevertheless, this has not been reached, and everything is pouring over humanity.

There is darkness in the entire world. It is the darkness of sin, that is liberating itself over the very humanity and will bring what for man will be the long night, in which the demons will come out of their caverns in search of lukewarm souls or totally away from God, to submerge them in sin. This is the reason for which, now in this time, the followers of the devil of inferior status, are coming out little by little, and in this way are taking the will of the creatures without God, guiding them to commit so many crimes, so many aberrations, so much drug addiction, so much assault on the innocents.

This time, is time of crisis. The people of My Son are in crisis because of their stubbornness, the voluntary estrangement from God, of adoring false gods. The past repeats itself, and man punishes himself, while he doesn't recognize his sin. The uncontrollable aggressiveness lives by the side of each one of you: this is the reason for you not to separate from prayer, from the Eucharist, from love; be true.

Sons, you want to overcome temptation? Pray so you won't fall, be the lights that illuminate, be united, and maintain the faith, so you will sing victory for the Glory of God.

THE MERCY OF GOD IS IN FRONT OF YOU, EVEN IN THIS MOMENT OF GREAT DARKNESS. GOD IS LOVE, AND HIS LOVE IS GIVEN TO MEN IN A CONSTANT ACT OF TOTAL DONATION; SO TAKE THIS DIVINE LOVE THAT THE VERY FATHER IS OFFERING YOU.

Beloved sons: remain sure of the Divine Presence in each human creature; that the powerful of the earth don't scare you, because above them, remains "The owner of everything that has been created". You obey, prepare yourselves, and don't be like the ones who listen to the light sighs of the governments, giving false securities to theirs. You keep on saving for the more difficult times, since these are to come; prepare yourselves and don't forget that those who remain in faith, God will multiply what everything they possess, so you will share with your brothers.

My beloved sons: this is your Mother, who invites you today to pray with force and faith; so much, that it gives off light where there is obscurity. Don't forget that God is God of love and forgiveness. I love you.

ANNEX

Our Lord Jesus Christ Speaks

My children, sheep of my fold, peace to you.

Be alert and vigilant in your minds, because My Adversary has started the mental attacks; has started to deploy the mental spirits, to attack the mind of my children and make many lose their minds. That's why, wherever you are pray mentally, so you will be able to destroy the attacks with which My Adversary will test your mind. Whenever you feel mental attacks, say: We take every thought captive and make it obey God. (2 Corinthians 10:5)

Apply my glorious blood in your body, mind, and spirit, so you can bear the attacks; don't desperate, they are part of your purification; pray and reprehend and invoke the power of My Blood and My Sores; deliver everything to Me in the sore of the left hand and I promise you the fall of My Adversary. Call My Mother and say:

O Mary conceived without sin, pray for us who have recourse to Thee; or say, O Most pure Mary, conceived without sin, Most Holy Mary, and the spirits of evil will flee from you.

Look then, My children, that we will not forsake you, the prayer, the faith, and the trust put in Me, and in My Mother, will be the antidote which will counteract the attacks of My Adversary.
